Profile

I am a Junior Full-Stack Engineer who is highly skilled in Research, MERN-Stack, Node.js, JavaScript and Digital Video. I love coding and designing functional websites and user-centered products.

In 2021 I completed a Certificate in Full-Stack Development and in 2004 I completed a Sound Diploma from Cape Audio College.

I have over ten years of experience working in the Film and Media industry and have successfully run my own company, Video Image Technologies, since 2016.
